Section R1 (12 marks)

Read the passages about Alan and Belinda and answer the questions. For each question, choose either A(Alan) or B(Belinda). You need to choose each person more than once.

Marks Awarded

Alan (A)

I'm Alan and I'm 28 years old. I live with my wife and our two sons. We live in a house with a very small garden. The children love dogs but our house is not big enough to have one. The children go to the village school. I used to be a teacher there but now I'm an office manager. I always ride my bike to the office because it's too far to walk. We go to a restaurant every Saturday. I can cook but I don't really enjoy it.

Belinda (B)

My name's Belinda. I'm 25 and I live with my parents in a large apartment. We don't have a garden but we have a little dog called Fred. The children who live next door often take Fred to the park. I teach English at a school in the town centre. I used to go to work by bike but now I walk there. On Saturdays, I sometimes go to a restaurant with my friends. I also enjoy making dinner for them at home.

Advait Kolarkar

Advait Kolarkar is six years old and he is already a world-famous artist. He first held a paint brush when he was just eight months old. When he was one, he used food colouring to paint his first picture. Advait doesn't paint people, animals or things. He is an *abstract* painter. This means he paints different shapes like circles and squares to make a picture. Advait's parents love watching Advait use thick paint to make images. They have never taught him how to paint.

Advait now lives in Canada, where the public can see his paintings at his local art gallery. Before that, his paintings were in an art show in his country of birth, India. In 2018, *Artexpo New York* invited Advait to show his amazing paintings. All of the other artists at this event were much older than Advait. Helen Bridgeo visited this show. She loved the bright colours in his work. She didn't have enough money to buy all of his 20 paintings, so she chose nine of her favourites. Since then, Advait has sold another 38 paintings around the world.

'Advait loves painting at the moment,' say his parents, 'but maybe that will change when he's older. Perhaps he'll go to university and become a teacher or a scientist. We just want him to do something he enjoys.'

For questions 1–3, please answer in complete sentences. (2 marks each)

1. How old was Advait when he did his first painting?

2. What does Advait paint pictures of?

3. What did Helen Bridgeo like about Advait's paintings?
