Section R1 (10 marks)
Read this postcard from Flora and answer all the questions.

Marks Awarded

Dear Valerie,

How is your new school? Last Friday, my mum and dad gave me a bicycle for my birthday. It is better than my old one! It is red but my dad's bike is blue.

Every Saturday, my dad and I go for a bike ride in the countryside. My younger brother, Paul, stays at home because he has football club. It is exciting when we ride down the hills but I don't like riding up them! We usually go to a café and buy fish and chips for lunch because Dad doesn't like sandwiches.

In the summer, can you come and stay at my house? We can ride our bikes together.

Last month Arthur won a tennis competition. He won a ticket to ride on an old train. Last Saturday at 10.40 am, he and his brother left home and walked to the station. They arrived at 10.50. The train trip was at 11.00. There were four trains. Two were red, one was green and they rode on a black one.

They sat next to a man with a small dog. The dog wasn't scary but Arthur didn't like it because it stole Arthur's lunch from his bag. There were no sandwiches at the station café so Arthur shared his brother's sandwiches for lunch. They ate them in the park. After the train trip, they didn't walk home because they were tired.
